[解答例1]

I also think that it is very important to do one thing for a long time. I was a member of the soccer club in junior high school. Playing soccer after school was sometimes really hard. But it made me strong. So I'm happy to have the experience to play soccer for three years. (54 ワード)

[解答例2]

Doing one thing for a long time is important. I didn't like studying before junior high school. But I have studied hard for three years because I want to go to university. So I can do well now. (38 ワード)
